**Treasurers Report-** Arleen reported that all expenses from 2009 have been paid. In addition, rent has been paid for the entire year upcoming year. We still have to pay the phone bill. We are still due \$9,300 from the City of Longview for 2009. Arleen also has the paperwork to complete for the Kelso funds (approx. \$2,000).

**Committee Reports-**

**Commercial Marketplace-** General discussion on how to coordinate the marketplace this year, including the need for a volunteer to chair this committee. We will have to mark the spaces this year. It was suggested that the LCCA might be willing to do that. Also suggested to assign the spots in advance instead of waiting until the night before.

**Skate Tournament-** Mike said they plan to do it again this year.

**Entertainment** – There will be regatta and church service this year, so entertainment schedule will be planned accordingly. Julie will talk to Scott Netling about bids for tents and sound.

**Parade** – Parade will be on Saturday this year.

**Buttons-** Ray reported that Bob's sold a total of 1700 buttons for 2009. Arleen and Ray will present Bob's with a plaque thanking them for their support. It was discussed that we should attempt to sell buttons at beer garden again this year.

**Fireworks** – Scott Pospichal will be in charge of fireworks again this year.

**Portapotties/Handwashing stations/ Garbage** - Arleen will solicit bid for portapotties and garbage sanitation for 2010.

**Website** - Greg Stone will do the website again this year. It was discussed whether or not marketplace vendors would be able to select their sites right from the

website this year. Needs to be reviewed further. Also suggested to promote website through psa's so more people will donate through paypal.

**Security** – Mike Anthony will solicit security bids. Security is needed Thurs, Fri, Sat and Sun from 10pm – 7am, and all day on Sun 7/4/10. Need two security guards: one to remain near stage and equipment and one to roam the park.

**Advertising-** Tom Iverson will handle again for 2010.

**Prizes** – Arleen stressed need to secure prizes earlier this year. It was discussed whether or not we should run ads in newspaper and on radio asking businesses to donate prizes. Concern over dollar value and type of prizes that may come in (ie: coupons are not prizes). If we do this, we need to qualify/quantify what we are looking for.

**Elections** – Julie Laird has offered to serve as secretary. Michele Webber has offered to serve as treasurer. Nominating committee to submit slate at the next meeting.

**Next meeting to be held 10/16 at 7:00am at the Daily News conference room.**

**Meeting was adjourned.**
